

### **PE AND SPORT PREMIUM SPENDING 2021-22 (Value of Grant £16,600)**

The premium must be used to fund additional and sustainable improvements to the provision of PE and sport, for the benefit of primary-aged pupils to encourage the development of healthy, active lifestyles.

The aims are:

- The engagement of all pupils in regular physical activity.
- Raising the profile of PE and sport across the whole school as a tool for whole school improvement.
- Increased confidence, knowledge and skills of all staff in teaching PE and sport.
- Offer all pupils a broader experience of a range of sports and activities. □ Participation in some competitive sport.

Schools with 17 or more eligible pupils receive £16,000 and an additional payment of £10 per pupil. At the beginning of the academic year we had 60 pupils on roll so the value of our grant is £16,600.

### **Intention of Spending and Reasons**

Many of the pupils at The Link need support with their gross motor skills. The PE and Sports Premium will be used to ensure that these skills are developed in a fun way so that pupils can develop their fitness levels and enjoyment in taking part in physical activities. As a result of the children becoming more active it will help them to regulate their senses and emotions which in turn will enable them to be ready for learning. The improvements will be sustainable through the monitoring of the progress that the children make through our assessment systems and adjustments being made to spending as necessary.

	<b>ACTIVITY</b>	<b>PROPOSED COST</b>	<b>Proposed effect/impact on pupils' PE and sport participation and attainment</b>	<b>UPDATE/SPENT</b>
1.	Full playground upgrade to meet the needs of the current cohort of pupils and make it more of an active environment.	£8,000	Pupils engage in a wider range of activities that are appropriate to their needs and develop interaction skills across the school.	<p>There has been an enhanced playground experience for many of the pupils and it has encouraged some children to access the playground much more than previously. Pupils' gross motor skills have improved as have levels of self-confidence.</p> <p>The impact of the increase in exercise available on the playground has meant that the pupils' levels of emotional regulation have improved and they are therefore more ready for learning at the end of a playtime.</p> <p>Spent: £10,802.35</p>

2.	Weekly football sessions with Crystal Palace Football Club	£950	Children will have the opportunity to learn different football skills and take part in games with pupils from different classes.	<p>4 cohorts of pupils enjoyed the weekly sessions developing football and interaction skills. The sessions were particularly successful for the pupils with demand avoidant autism. It has enabled them to bond with new adults and peers.</p> <p>The sessions have also provided the opportunity for the pupils to be creative in planning their own games, rules and fitness regimes.</p> <p>Spent: £950</p>
3.	Dance Club – salary for staff assisting with the club	£720	Appropriate level of staffing ensures safe running of the club. The children will learn different dances and socialise with pupils from across the school.	The Dance Club has allowed pupils from different classes to enjoy interacting and exercising together. The Dance teacher has the ability to connect with children who require a

				<p>slow and gentle approach.</p> <p>The pupils have grown in confidence during the sessions and were able to perform at the Platinum Jubilee celebrations as well as in front of parents at the end of term.</p> <p>Spent: £720</p>
5.	Weekly Yoga sessions	£2,672.00	Children develop strength and flexibility, boosting physical and mental well-being.	<p>The Yoga sessions have helped with the mental wellbeing of pupils through relaxation and breathing exercises. Core stability and flexibility have also improved.</p> <p>Spent: £2,672.00</p>
6.	PE/Sports equipment/resources	£2,208	Children develop physical skills and experience using new equipment and resources.	<p>The premium has enabled one class to have an extra swimming session which provided an additional opportunity for exercise as well as regulation of emotions.</p>

				<p>Football and goals were purchased to help a pupil access 'backdoor learning'.</p> <p>New playground equipment specifically for one class has helped pupils to take exercise together with less adult support.</p> <p>Spent: £1,211.11</p>
7.	PE 'grab bags' for each class	£2,100	Each class will have their own bag of PE resources that meet their needs and give them the opportunity to experience new activities.	<p>Pupils have developed levels of fitness and enjoyed new activities. The bags have also enabled there to be quick access to a PE lesson which has meant that more spontaneous lessons have taken place.</p> <p>Spent: £244.54</p>
	Total	£16,600		Total spent: £16,600

Swimming- The pupils in Year 6 are below the national requirement.
